Friends of ZamScotEd

As a Friend of ZamScotEd, your annual £10 subscription will help transform the lives of the most vulnerable youngsters in Zambia. ZamScotEd SCIO is a Scottish charity which supports the education of Zambian children who are orphaned, rescued from the streets, or whose families just can't afford school fees. Girls and boys who would otherwise never achieve their academic potential are given a golden chance by Friends of ZamScotEd.

You help us provide secondary education through our school in Lusaka, St Columba's.

You help us buy textbooks

You help us buy laptops and science equipment

You help us to help kids hungry for education.
